We will provide a caring and safe environment nestled in a beautiful scenic village location where children develop into happy and confident learners who are able to adapt to the many challenges that they will face throughout their lives in the outside world. They are inspired to be the best that they can be in all that they do.

### **Caring**

We care about each other, the community and the environment. We strive to make learning fun through engaging and stimulating lessons.

### **Confident**

Our approach builds the confidence of our pupils and enables their learning potential, both in school and beyond, to meet the challenges that life brings.

### **Creative**

We provide a flexible, creative and child-led curriculum which is inspiring for our pupils and allows them to learn both inside and outside of the classroom.

### Together we will:

- Treat one another with respect
- Value each other as equals and partners
- Listen to and support each other in our aim to produce the best education for our children
- Help every child to develop a positive attitude to life, learning and achieving their potential
- Smile!

### The family will:

- Make sure their child attends school, arrives on time, and is equipped for the day both materially, physically and emotionally
- Take an active interest in their child's learning by offering support and encouragement
- Keep the school informed of their contact details and other factors which may affect their child's work, welfare or behaviour
- Support their child in their homework
- Avoid taking their children on holiday in term-time
- Inform the school about their child's illness on the first day of any absence and send a note on their return to school
- Read and act upon any information sent home
- Use social media responsibly when referencing school

### The school will:

- Provide a happy, secure, calm and hard-working atmosphere
- Maintain a high standard of education, providing a broad, balanced and creative curriculum
- Challenge every child and encourage them to develop lively, enquiring minds
- Teach children to develop a positive attitude towards everyone regardless of gender, race, culture, belief, values, age or need
- Ensure every child participates in their learning and achieves the best they can in their work and behaviour
- Keep parents informed about their child's progress through a variety of communications
- Make available all relevant school policies
- Celebrate achievements

### The child will:

- Treat others as they would wish to be treated
- Take care of all belongings and surroundings
- Respect other's culture, race, feelings, beliefs and values
- Behave in a safe way at all times
- Accept responsibility for their actions
- Tell an adult at home or at school if anything is worrying them
- Take home all letters, give them to parents and return any necessary slips
- Try their best at all times
- Use the internet responsibly at all times
