

After-Schools Sports Clubs 2020-21 April 2021

Inspire Sports provide our after-school sports provision. They began the clubs in the autumn term but the lockdowns prevented these clubs from running their full course. The clubs continued again in the summer term, continuing where they left off with the same children attending. The clubs are all multi-skills based so that the children enjoy a variety of sports and activities. The next round of clubs later in the summer term will probably more sport specific e.g. football, rounders etc. Inspire Sports coach the school football squad and they have also resumed training once a week with a hope that some matches can be arranged before the end of the academic year.
