Drawing	<p><u>I need space!</u></p> <p>Developing ideas more independently, pupils consider the purpose of drawings as they investigate how imagery was used in the 'Space race' that began in the 1950s. They combine collage and printmaking to create a piece in their own style.</p>	<p><u>Make my voice heard</u></p> <p>On a journey from the Ancient Maya to modern-day street art, children explore how artists convey a message. They begin to understand how artists use imagery and symbols as well as drawing techniques like expressive mark making, tone and the dramatic light and dark effect called 'chiaroscuro'.</p>
Painting and mixed media	<p><u>Portraits</u></p> <p>Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self-portraits in mixed-media.</p>	<p><u>Artist study</u></p> <p>Identifying an artist that interests them, children research the life, techniques and artistic intentions of that individual. Collecting ideas in sketchbooks, planning for a final piece and working collaboratively, they present what they have learnt about the artist.</p>
Sculpture and 3D	<p><u>Interactive installation</u></p> <p>Using inspiration of historical monuments and modern installations, children plan by researching and drawing, a sculpture to fit a design brief. They investigate scale, the display environment and possibilities for viewer interaction with their piece.</p>	<p><u>Making memories</u></p> <p>Creating a personal memory box using a collection of found objects and hand-sculptured forms, reflecting primary school life with symbolic and personal meaning.</p>
Craft and design	<p><u>Architecture</u></p> <p>Investigating the built environment through drawing and printmaking, learning about the work of architect Zaha Hadid and creating their own building designs, creatively presenting research on artist Hundertwasser and exploring ideas behind the symbolism of monument design.</p>	<p><u>Photo opportunity</u></p> <p>Exploring photography as a medium for expressing ideas, pupils investigate scale and composition, colour and techniques for adapting finished images. They use digital media to design and create photographic imagery for a specific design brief.</p>
